Freedom of Information Act Officer  
U.S. Army Corps of Engineers  
Executive Office  
441 G Street, NW  
Washington, DC 20314-1000

This is a request under the Freedom of Information Act, 5 USC §552 ("FOIA"), for copies of all documents in possession or control of the U.S. Army Corps of Engineers (the "Corps") that contain, set out or summarize any interpretation by the Corps of the regulations promulgated under the Archaeological Resources Protection Act, 16 USC §470 et.seq., ("ARPA"), as they relate to any term or condition to be imposed on study of human skeletal remains curated under ARPA by the Corps or any of its designed repositories.

As used in this request, the term "documents" means any memorandum, policy statement, handbook, guideline, letter, e-mail, fax, memorandum, note, summary, outline, transcription and any other thing that is recorded on paper or could be printed on paper from an electronically stored source.

If the costs of providing the requested documents will exceed \$250, please notify me before any costs are incurred.

Your prompt response to this request will be appreciated.

Very truly yours,

Alan L. Schneider
