FOI/PA Section  
Information Management Division  
Federal Bureau of Investigation

Dear Mr. O'Brien:

This letter constitutes a request under the Freedom of Information Act, 5 U.S.C. § 552. It is submitted on behalf of my client, [redacted]

I request a copy of the FBI Headquarters file maintained under the name [redacted]

For purposes of fee assessment, I request that this be processed as a "news media" request. [redacted] is currently conducting research for a book on the Department of Justice to be published by William Morrow & Company. As his enclosed resume indicates, [redacted] is an established journalist with numerous publications to his credit. I further request that all duplication fees be waived, as the release of the Bureau's file on the [redacted] -- and [redacted] dissemination of that information -- will contribute significantly to the public's understanding of government operations and activities.

As the FOIA requires, I will anticipate your response to this request within ten working days.

Sincerely,

[redacted signature]
