5. U& FOREIGN PURCHASE PLANS DENIED NONETHELESS, NEW DELHI HAS RENOUNCED THE PURCHASE OF FOREIGN ENRICHED URANIUM AND HAS STATED ITS INTENTION TO FUEL TARAPUR IN PART WITH PLUTONIUM EXTRACTED FROM SPENT TARAPUR FUEL. THIS POLICY HOLDS TWO RISKS FOR INDIA FIRST, BECAUSE SOME PLUTONIUM IN THE SPENT TARAPUR FUEL ORIGINATES IN US-SUPPLIED ENRICHED-URANIUM, WASHINGTON WILL BE REQUIRED UNDER THE AMENDED EXPORT-IMPORT BANK ACT TO WITHHOLD ALL LOANS TO NEW DELHI FOR THE PURCHASE OF US GOODS, INCLUDING HIGHLY PRIZED TECHNOLOGY.
