TALKING POINTS

-- I'm glad we have a chance to meet while you are in town. Why do you think the Russians still seem to be giving us a cold shoulder?

-- What sort of tactics should we be following over the coming months? Have they really decided finally that they will not deal this year, as some are saying?

-- Do you think the Soviet leaders really fear us, or is all the huffing and puffing just part of their propaganda?

-- Is there anything we can do to give you more ammunition in your dealings with Gromyko and the other Soviet leaders?

-- I know you have a tough job in Moscow, and I get nothing but good reports on the Embassy's fine performance. Please let your staff know that we really appreciate what you are doing for us there.
