LDX: FOR IMMEDIATE DELIVERY TO ADDRESSEE'S

24 April 1975

NOTE FOR: Mr. Buchen, 2nd Floor, West Wing, White House, Ext. 2070
Mr. Mills, 2nd Floor, West Wing, White House, Ext. 6600
Mr. Wilderotter, Rm 182, Exec Office Bldg, Ext. 7094

The attached was provided to me last night by the Counsel of the Senate Select Committee with the comment that a letter will be forwarded to Director Colby requesting all this material be made available within ten days. There was no time to look over the material or to discuss whether a ten-day deadline made any sense or not, but I believe there may be policy issues involved here which we should focus on soon and also discuss strategy. You will notice the prolific use of the term all. I will forward to you the official letter when received.

MATERIAL TO BE SUPPLIED TO
THE SENATE SELECT COMMITTEE BY THE CIA

Specification of CIA Material Relating To
Director Colby's December 22, 1974 Report
and Director Colby's January 15, 1975 Senate Testimony

The Committee's original request to the CIA should have been interpreted to cover all of the following in that the Committee requested all material underlying Director Colby's January 15, 1975 testimony before the Senate Appropriations Committee. In any event, Director Colby's report of December 24, 1974, makes clear that all the following material is central to the Committee's mandate. The CIA is requested forthwith to supply the following, as well as the material which they have already collected in response to the Committee's March 12 request.

1. All of the instructions on "Questionable Activities" which were issued by Director Colby in 1973, or thereafter, except for the "selected group of attachments" which were included in the Colby Report and thus already furnished to the Committee.

2. All files relating to the following "questionable activities" which were mentioned in the attachments to the Colby Report:

- (a) [REDACTED]
- (b) "Reporting on Dissident Groups".
- (c) Projects [REDACTED]
