QUESTION: Mr. President, would you tell us what Director Colby has told you of any Cia connection with the assassination of foreign leaders?

THE PRESIDENT: I am not in a position to give you any factual account. I have had a full report from Mr. Colby on the operations that have been alluded to in the news media in the last week or so, really involving such actions that might have taken place beginnig back in the 1960s.

I don't think it is appropriate for me at this time to go any further. We do have an investigation of the CIA, of our intelligence agencies, by the Congress, both overt and covert, going back from the inception of the CIA. And, of course, we do have the Rockefeller Commission going into any CIA activities in the domestic front.

But for me to comment beyond that, I think, would be inappropriate at this time.
