3. Embassy Comment: While we have not/heard of similar <sup>yet</sup> army effort to specifically bring Moslem parties in Djakarta under umbrella organization, "Action Committee to Crush 30 September Movement" participated in by both Moslem and Christian parties as well as right wing of PNI serves at present as loose coordinating organ in Djakarta with which Army is working. Mokoginta's view of proper role of political parties is widely shared in Indo army officer corps and reflects/~~fact~~ <sup>likelihood</sup> that army if in power would not support <sup>politics</sup> either free political party/~~politics~~ or free trade unionism as these understood in most democratic nations.
