K: . . . demarche has been made to Argentina urging them to make a demarche to Argentina on human rights. In what way is it compatible with my policy.

S: It is not.

K: How did it happen?

S: I will make sure it doesn't happen again.

K: If that doesn't happen again something else will happen again. What do you guys think my policy is?

S: I know what your policy is, Sir. And will make sure they know too.

K: What can be done about this now?

S: Let me see if we can't send a clarifying message.

K: You better be careful. I want to know who did this and consider having him transferred.

S: I will look into it.

K: I want an answer this afternoon.

S: Yes, Sir.
