MEMORANDUM FOR: MR. HUSTON

SUBJECT: Domestic Intelligence Review

The recommendations you have proposed as a result of the review have been approved by the President.

He does not, however, want to follow the procedure you outlined on page 4 of your memorandum regarding implementation. He would prefer that the thing simply be put into motion on the basis of this approval.

The formal official memorandum should, of course, be prepared and that should be the device by which to carry it out.

I realize this is contrary to your feeling as to the best way to get this done. If you feel very strongly that this procedure won't work you had better let me know and we'll take another stab at it. Otherwise let's go ahead.
