RELEASED IN FULL

K: Bill, Sy Herst just called Larry with a statement he has all the committee material on Allende with regard to the 40 and that most of the stuff he claims he got from CIA.

C: Oh, sure.

K: Where else did he get it?

C: Well, I don't know.

K: He says we had \$1.5 million set aside to overthrow Allende.

C: He could have gotten this from two or three different places.

K: Like where?

C: We had to give a detailed breakdown to McClellan. Nedsy we had to give a report to.

K: To who?

C: Nedsy, the Chairman of our House Committee.

K: He claims he has notes from me and the 40 committee.

C: From you?

K: Yes.

C: I don't know if we have that memo around like that.

K: And that the Agency people are claiming I am the biggest threat to democracy. Do you have any idea how much money was spent?

C: I have a detailed breakdown of it.

K: How much is it?

C: You are in the \$6 million category. But \$500-600,000 was spent...

Colby - 2.

K: That's my recollection.

C: We authorized more but didn't use it. We gave some to other groups.

K: Didn't we give some money to keep it alive?

C: Yes. But I have all those figures. I will get them out.

K: Can you get them to me by tomorrow morning?

C: Do you want me to show up tomorrow morning? I will if you do.

K: No. You will have to show up maybe on Saturday.

C: I will get ~~ox~~ all the figures for you by 8:30.

K: Good. Thank you.

C: I will try to get hold of Hersh and see what he has.

K: Ok. Thank you.

END.
