Dear Malisa,

This is a request for a status update on my FOIA sent on November 14, 2023 for the records of telephone conversations and memoranda of conversations during meetings between President George W. Bush and Russian President Vladimir Putin.

We received a request acknowledgment on November 29, 2023 assigning case number NW 78134. At this, we request an estimated date of completion.

Please cc foiamail@gwu.edu on your response.

Thank you so much,
