Yeah. Everything you write is consistent with my understanding of that suspicious travel in January 2000.

Also, here are my "timeline" entries the early-mid January 2000 events, which includes travel to Malaysia by "Khaled" [Redacted] My guess always was that Khaled was in fact Quso and Nawaf might have been Khalad. [Redacted] could have been Salim, but who knows.

[Redacted] operatives in Yemen is called "al-Nibras."

Hi. During the millennium threat or shortly after (?) [REDACTED] were chasing a traveler id'd by NSA as "Khalid" LNU, who traveled from the middle to the far east. As I remember it, [REDACTED] pictures and surveilled him, then he, what, went to Bangkok and disappeared? Anyway, after the Cole bombing, we had a nother look at the pics, thinking Khalid might have been Khallad. He wasn't. But I believe [REDACTED] and others thought that Khallad was actually among those in the little group [REDACTED] Am I ringing any bells, here?

Anyway, the possible second suicide bomber...NIBRAS...may have been in SE Asia around the same time (traveled with Quso)... [REDACTED] was called Khalid....I'm wondering if the traveler might not have been Nibras....

Anybody know where those photos are? [REDACTED] I don't have them.

If you find them, could you send 'em over to me? Thanks.
