SENIOR EXECUTIVE INTELLIGENCE BRIEF

23 June 2001

[redacted]

International: Bin Ladin Attacks May Be Imminent [redacted]

Multiple reports indicate that extremists [redacted] expect Bin Ladin to launch attacks over the coming days, possibly against US or Israeli interests.

[redacted]

[redacted]

[redacted]

Bin Ladin, was in hiding.

-- An Arabic news channel [redacted] reported on Monday that Bin Ladin had gone into hiding in Afghanistan because he feared a US airstrike. [redacted]

The time frame may be flexible. US facilities have been warned of the threat and are heightening security, which could delay an attack because operatives would need to revise their plans.
